# UNIFORM TERMS

1. We give 5 per cent. discount for cash with straight order for plants, or 3 per cent. on orders for plants and planting service.
2. We give credit to end of month following date of bill to customers of approved standing.
3. We charge interest at 6 per cent. per annum or not less than 2 per cent. minimum from date of bill on overdue accounts.
4. We guarantee all plants true to name and up to specifications, but at no greater liability than to replace with correct kinds without charge or cost of transportation.
5. For goods damaged in transportation, other than by our own conveyance, we guarantee proper adjustment on the part of the carrier up to 50 per cent. of the bill, and will ourselves conduct the claim.
6. We will refund new plants at half the prices then current for those that may die within seven months, with an additional allowance of ten per cent. for transportation, where necessary, provided the bill be settled in full within the monthly period mentioned in paragraph two. Planting charges, where work was originally done by us, less twenty per cent.
7. All claims for damages to plants must be made within ten days of receipt of goods, and for death of plants, within seven months.
8. We are anxious to please, and to treat our customers fairly. Always frankly call our attention to any apparent fault.
9. We give the same good attention to small orders as to large.
10. Our plants are freshly dug to order. This enhances the value to the purchaser. But it also makes the preparation of a small order expensive. We charge 50 cents additional on each order under five dollars in herbaceous perennials or potted stock, and one dollar on each order under ten dollars of trees, evergreens and miscellaneous goods.
11. Local customers who will call at the nursery for their own goods, saving our delivery, may save this extra charge on small orders, provided the order is given in advance and called for later. Orders cannot be dug while the customer waits.
12. Purchasers are welcome to come to the nursery and select their own goods, but special selections and clumps of perennials will be charged according to value, irrespective of published prices.

## IMPORTANT DELIVERY DETAILS

These delivery regulations are furnished every purchaser and are understood to form part of the agreement of sale.

1. We deliver free within fifteen miles of our Nursery.
2. Plants loaded on our delivery truck have a large protective covering thrown over the roots. Individual bundles are not separately packed, except evergreens, the roots of each plant being balled and burlapped.
3. Purchasers preferring to have their order packed separately from others and delivered with extra protection for holding over till following day may have this extra service for 20 per cent. additional.
4. It is expected someone will be at home on the arrival of goods to take them in charge. Our driver will, where necessary, put plants under shelter, but cannot stop to undertake unusual care of goods delivered. If bagging or old carpet is given him for the purpose, he will cover the roots.
5. Delivery routes are sometimes long, and as freshly dug plants cannot well be got ready long in advance, the hour of delivery on a given date must always be in doubt. **PURCHASERS ARE EXPECTED TO ARRANGE TO HAVE PLANTING DONE THE DAY FOLLOWING THAT ON WHICH DELIVERY HAS BEEN PROMISED.** This avoids keeping men awaiting the arrival of plants. Notification of intended delivery will be made when the date has not been previously set.
6. Practically all plants are dug fresh to order either from our 45-acre Germantown Nursery or 225-acre Dresher place. It requires time. We make all deliveries promptly, but usually require a week's notice to complete all arrangements. This applies as well to goods to be called for, which must invariably be ordered in advance, except for certain pot-grown plants, fruits, etc.

# Evergreens

"Meehan-Grown Evergreens" have splendid fibrous roots and are lifted with a good ball of earth. Every evergreen is "Balled and Burlapped."

Descriptions in this Price List are necessarily brief and general, character at maturity, color of bloom and time of blooming only being given. Fuller descriptions will be found in "Meehans' Manual of Outdoor Plants" which may be had for the asking.

All orders are subject to our "Uniform Terms." See inside front cover.

5 plants or more of the same kind are sold at the 10 rate.

25 plants or more of the same kind are sold at the 100 rate.

# Herbaceous Perennials

## Hardy Garden Flowers

"Meehan-Grown Perennials" are two-year field-grown plants large enough to give reasonably good and "better than usual" results at once.

Descriptions in this Price List are necessarily brief and general, character at maturity, color of bloom and time of blooming only being given. Fuller descriptions will be found in "Meehans' Manual of Outdoor Plants" which may be had for the asking.

Prices, except where specially noted: \$0.40 each; \$2.50 per 10.

5 plants or more of the same kind are sold at the 10 rate.

25 plants or more of the same kind are sold at the 100 rate.

All orders are subject to our "Uniform Terms." See inside front cover.
